## Quick Help

- Why is the list limited to 500 results?
- » Why is the number of results sometimes approximate?
- Why could it be that a certain patent document is not displayed in the result list?
- » Why do I sometimes get results having a title which is not in English?
- » Why do I sometimes get results which may not match my query?
- » Why is there a number in brackets?
- » Why should I tick the "in my patents list " box?
- What is an XP document?
